Help for Those Who are Struggling with Same-sex Attraction

Almost all of us know someone who is struggling. We recommend that anyone start by reading *The Battle For Normality: A Guide For (Self-) Therapy For Homosexuality*, by Dr. Gerard Van Den Aardweg, Catholic Psychologist. This book gives insights into the causes and how someone can be healed. We have seen the healings take place through faith, prayer and truth. With God, all things are possible.
